NEW Bondloc Sanitiser Range

Vapormatic have introduced a new range of sanitisation products from Bondloc, including new 75% IPA hand wipes supplied in packs of 100. Given the need to ensure good hygiene practice in all areas of life, the large pack quantity offers a competitive price point for business owners. In addition, the wipes are biodegradable making them a sensible choice for environmentally conscious customers.

The Bondloc range is manufactured in the UK, to ISO 9001 standard, and offers a diverse range of quality products to cater for the most demanding bonding, sealing and assembly applications.
